The rent band (monthly, INR)

P10 (soft floor)	P25	P50 (THE NUMBER)	P75	P90 (broker's story)
16,000	18,000	21,000	25,000	30,000

Read it like a professional: underwrite your deal at **P50**, stress-test it at **P10**, and treat anything quoted above P75 as a marketing number until a tenant actually signs. Half of all comparable listings are asking less than the P50.

Median asking rent per built-up sq ft: **Rs 23.6/sqft/month** - use this to sanity-check units of a different size.
